Hi Nicole,

Hope all is well with you and that you were able to get in a family vacation at the end of the school year!

I am writing to let you know that Vince Stamp, the Valleycrest Landfill Site Group's liaison counsel, is in the process of winding down his practice at his firm looking towards retirement next year. Vince is handing off the role of liaison counsel to Steve Siegel, also of the Dinsmore & Shohl firm in Cincinnati. I have worked with Steve on the Site as long as I have worked with Vince, since about 1999, so Steve is already fully up to speed.

At a convenient time over the next couple of days, Steve and I would like to call you to say hello and to discuss the current status of the case and schedule going forward for the PRAP, ROD, submission of our Orphan Share Analysis and some issues that may involve confidential information.

Let us know a good time for you to have a call.

Regards,

Larry

Hi Nicole,

Hope all is well.

Just following up on my call to you a couple of days ago about the Valleycrest Site. My Group was asking for an

update on the PRAP and whether Region 5 was getting closer to issuing it.

Hope you are enjoying the beautiful Chicago weather today and can get out for a walk in Grant Park!

Larry

Hi, Larry.

Thank you for your voicemail. I am sorry that I didn't get back to you yesterday. March 20 at 9:30 a.m. central time works for me. I arranged for the same room that Tom reserved for your meeting with him, room 1417.

I am actually not going to be in the office today, but will be in tomorrow if you have any questions, just leave me a voicemail and I will get back to you when I am in the office.
